**Athens County Prosecutor's Office to host
Community Treatment and Resource Awareness Day**

The Athens County Prosecutor's Community Justice Initiative would like to announce an on-site drug treatment counseling and referral opportunity to be held at the Trimble High School on Monday, June 29, 2015, from 2:00 p.m. to 5:00 p.m.

Representatives from Health Recovery Services, the Clem House, New Visions of Fairfield Medical Center, Hopewell Health Center and Trimble Tomcat Bridgebuilders will be available to assist with treatment options.

If you or someone you know is addicted to drugs or alcohol please take advantage of this treatment and awareness opportunity.

Prosecutor Blackburn states that "we are dedicated to fighting the drug epidemic on both the supply and demand levels. The first step in overcoming this battle is treating those addicted while punishing those spreading the addiction."
